Artwork Framing Leads

Tips

Your neighborhood framer often will give you largest discount/best deal.

Please make an effort to contact two or three framers to get quotes. Ask them to quote you on ONE artwork. Some framers will not give quotes by phone.

An inexpensive and typical artwork to frame is a 16"x22" silkscreen print that needs matting and a simple frame.

If a work is a non-standard size, it is often less expensive to buy a larger standard size frame and ask for a custom mat.
