The Art Connection is *seeking volunteers* for our upcoming event! Art BINGO is a notoriously fun, fast-paced event created to encourage collectors and art enthusiasts to play bingo to win art. A dozen games will be played, each for an original artwork submitted by emerging and professional artists and juried by John Guthrie. Guests will enjoy our lively bingo callers, a premium silent auction, complimentary gourmet appetizer and dessert buffet, and cash bar. Proceeds support our mission to increase access to art.

The Art Connection enriches and empowers under-served communities by expanding access to original works of art. We facilitate the choice of art, from artists and other donors, for those who may not have the opportunity to experience the transformative possibilities of art in their lives. In our 21 years of bringing art to life, we have celebrated the placement over 7,500 original works of art in over 400 agencies, by over 450 art donors.
